Kateřina Čumbová

PE teacher

Project coordinator

Mgr.
Kateřina Hájková

Ecology teacher

Project member

KAROLÍNA KÁBRTOVÁ

Hello,
My name is Karolína Kábrtová and I am 17 years old. I study at school of international and public relations, my specialization is diplomacy and I am in the second grade. I really like sports, going out and doing something is my favourite thing to do. In addition, I used to play squash but now I cannot because of corona. Now I spend most of my time at home with my family or studying.

DOMINIK HLINKA

Hi,
My name is Dominik, I'm 17, and I'm studying international relations and diplomacy at a high school in Prague. I focus on Europe and eastern Asia.
I like exploring new cultures - food, music, food, movies, food, books, and more food. I think that different aspects of culture show a lot about people. This is a part of the reason why I chose to participate in Erasmus+. I also like learning languages - other than English and Czech, I'm learning German and Japanese, and I plan to learn Spanish soon.
I'd describe myself as an ambitious, open person. Other than the aforementioned stuff, I like playing video games, and participating in politics.

ELIŠKA ZVĚŘINOVÁ

My name is Eliška Zvěřinová.
I am seventeen years old and my zodiac sign is Leo.
My hobbies are walking, reading books, drawing and etiquette.
I like to spend time with my family and doggie Nix.
I look forward to learning new things and meeting new people. :)

ANNA JÍLKOVÁ

Hi,
My name is Anna and I come from Czech Republic, I have lived in Prague all my life, more precisely 17 years, sadly, I am turning 18 soon so the exciting adulthood awaits for me just behind the corner. Sadly, why you ask? Because I love my childish spirit and watching Disney movies while eating plain pasta. I like throwing ninja stars, listening to rock music in my room or spend time with my friends.
